ATR 2 vs. ATR 3

ATR 2

14.4 million

7,626

3 years

GPRA-intervals

Intake, 60 days, status
80%

7 day upload of data

Incentives (\$20)

ATR 3

12.8 million

10,901 (unduplicated)

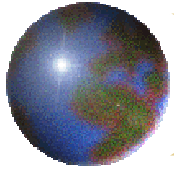

4 years

GPRA-intervals

Intake, follow up, discharge
80%

7 day upload of
data

Incentives (\$20)

ATR 2 vs. ATR 3, cont.

ATR 2

RCS & CMASS

(Case Management and Aftercare Support Specialist)

Reduction in screens

Benefits coordination

Milwaukee County only

ATR 3

RCU-Open Gate

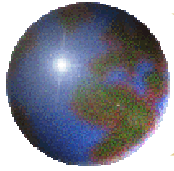

Recovery Check Up

No more CMASS

18 screens a
day

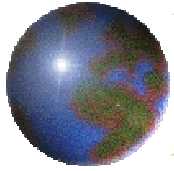

Benefits
coordination

Geographic
expansion

ATR 3 continued...

- ✿ Waukesha Alcohol court
- ✿ Vets from Waukesha, Ozaukee, Racine and Washington counties
 - ▣ Must be receiving clinical services from the VA
 - ▣ Eligible for recovery support services and/or clinical treatment services

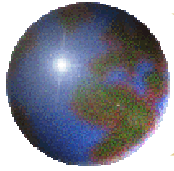

Entry into WIsler Choice

❁ CIU staff screen clients using ASI, ASAM & ASAM RSS Tool

❁ Recommended level of care

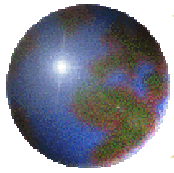

❁ Chosen level of care

- Chooses clinical treatment provider
- Chooses RSS provider
- Chooses RCS agency
 - St. Charles, WCS, J2K & LaCausa
 - WIsler Choice for Families and other special pop. clients will receive RSC
 - All other clients will receive RCU
- RSC attempts to contact client w/in 24 hours of intake

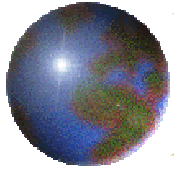

The Path of Wiser Choice

- Client presents for services (clinical, RSS)
 - Provider Feedback form (clinical or RSS) faxed back to referring CIU and RSC agency is contacted to inform them that client presented for services
- Client does not present for services and it is known client will not present
 - Provider Feedback form faxed to CIU, noting client 'did not show' and RSC informed as well
 - For those w/RSC, RSC attempts to re-engage client

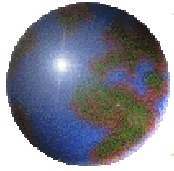

The Path of Wiser Choice, cont.

- ❖ Service Capture Worksheets no longer used routinely, but sent to BHD on a weekly basis if provider does not have CMHC access
- ❖ Treatment/RSS plan regularly updated
 - ❑ RSC meets w/team every 30 days or as needed
 - ❑ Ancillary Recovery Support Services (ARSS)
 - ❑ Recovery Support Team (RST)
 - ❑ Single Coordinated Care Plan (SCCP)
- ❖ Progress should be monitored against units used and lapse date

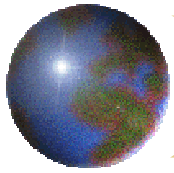

As Units Come Close to Lapsing or lapse date approaches (2 weeks)

- ❖ Provider, RSC and RST update SCCP
 - ❑ Reauthorization (of same clinical provider/RSS)
 - ❑ Transfer up/down or extension
 - ❑ Planned discharge from clinical treatment
 - RSC informed and GPRA discharge interview scheduled
- ❖ All SAR's go through RSC or are submitted directly to BHD if no RSC
 - ❑ BHD Administrative Coordinators process all SAR requests
 - MaryAnn Repnik, Lisa Lollis, Darrel Pagel, Lisa Rodriguez & Amy D'Addarrio

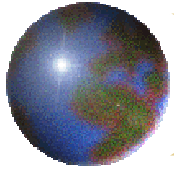

Reauthorization

- ❖ Provider and RST determine client needs additional units of treatment/RSS at same provider
 - ❑ Clinical provider sends completed ASAM placement form (section 3) of the SAR to RSC
 - ❑ RSC forwards SAR, ASAM, and updated SCCP to BHD
- ❖ BHD reviews and authorizes, denies or pends SAR request, informs provider and RSC
- ❖ No RSC, BHD reviews requests and informs requesting provider, whether request is for clinical or RSS

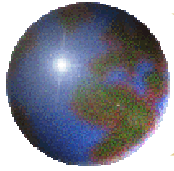

Transfer

- ❖ Provider and RST determine client needs another level of care or a different clinical provider
 - ❑ Provider sends ASAM form (section 3 of SAR) to RSC
 - ❑ RSC completes SAR for a new clinical provider and sends SAR, ASAM form (section 3 of SAR) and SCCP to BHD
- ❖ If client only has RCU and needs/wants to transfer to new provider
 - ❑ Current provider and/or CIU may facilitate this process for client, contact BHD Administrative Coordinator for assistance

Discharge

- ⊕ RST determines client is ready for discharge
- ⊕ SCCP updated to reflect need for:
 - ⊞ Continued ancillary services
 - ⊞ Continued RSC services
- ⊕ Provider enters discharge information into CMHC, for each service being provide

What continues in ATR 3?

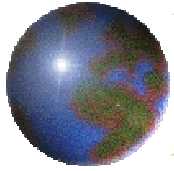

✚ RSS/Recovery Elective process

▣ At the Central Intake Units

- For those with identified RSS needs, can choose up to 2 recovery electives

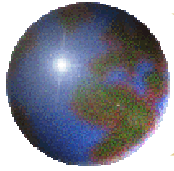

▣ At the FBO provider site

- Potentially identify clients who can receive RSS services
- Use of AUDIT-R
 - If score at 8 or above, refer to CIU for comprehensive screen and for selection of RSS and provider (you)

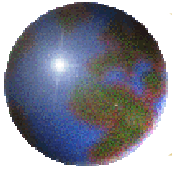

Recovery Electives Available

- ✚ Daily Living Skills – Group
- ✚ Daily Living Skills – Individual
- ✚ Domestic Violence Batterer Services
- ✚ Domestic Violence Victim Services
- ✚ Education/Academic Skills Development

- ✚ Spiritual Support – Group
- ✚ Spiritual Support – Individual

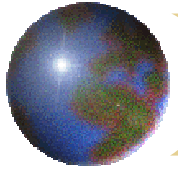

Recovery Electives Available, cont.

- ✚ Anger Management Services
 - ✚ Bridge Housing
 - ✚ And others...

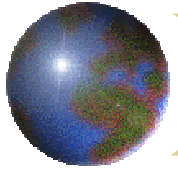

Wiser Choice needs to be a System of Cooperation

- ✿ ***Cooperation is the common effort of a group for their mutual benefit***
- ✿ ***Cooperation is teamwork***
- ✿ ***Cooperation is working together peacefully***
 - ✿ *When spider webs unite, they can tie up a lion. (Ethiopian proverb)*
 - ✿ *A single arrow is easily broken, but not ten in a bundle. (Japanese proverb)*
